There was a suffocating rush at Bennison Bros. last night, and it seemed that half of the ladies of Council Bluffs were there. The special handkerchiefs sale was the attraction. Some of the ladies who did not read the advertisement carefully came with the impression that they were to be given a handkerchief free, reading only the advertisement, overlooking the announcement that 25c and 35c handkerchiefs would be sold at one price of 3c during the evening. It was a very substantial present that Bennison's gave to the ladies—the difference between the cost and the few cents asked for the articles. The moral is: Read advertisements carefully.

NEWS FROM COUNCIL BLUFFS

Miss Georgia Garner Treats Her Friends to a Decided Surprise.

SHE IS NOW MRS. C. M. TREPUGHAN

Married at Atlantic on Sunday Without Any Unnecessary Frits or Flourishes—Short Story of How Music Made Cupid's Way Clear.

Miss Georgia Garner, who lives with her mother at 1137 Fifth avenue, surprised her friends Sunday by coming home from a few days trip east with Charles M. Trepughan of San Francisco, whom she introduced as her husband. Last week The Bee contained a personal note to the effect that Miss Garner had gone to Colfax for a brief visit. That was the impression she gave her friends, but afterwards turned out that she went no farther east than Atlantic.

On the 9th of last month Mr. Trepughan came to Council Bluffs, along with Dr. Berry's patent medicine troupe, and for three weeks took part every afternoon and evening in the doctor's street concert. One day he asked a friend of his where he could find some one who would play accompaniment for him to practice his songs. The friend told him of Miss Garner, who is an accomplished pianist, and introduced him to her at her home. The next two weeks the young people were together almost constantly, for the songs were hard and took a great deal of time to prepare and to play.

When Miss Garner left home she went to Atlantic, where she was met by Mr. Trepughan, who had a license and a marriage license and they were married last Thursday. They came back here Sunday morning, and the wedding was held at the residence of her mother. She had noticed from the actions of her daughter and the young man that it was a clear case of love at first sight, but she did not believe it until she saw the result standing before her.

The bride is the daughter of the late William G. Berry, of Council Bluffs, and is a native of the county, and who at the time of his death was one of the wealthiest farmers in the county. Not long ago her mother died, and she is now the only child of the late Mr. Berry, who was a prominent citizen, so that the newly married couple will not embark on their matrimonial career penniless by any means. Mr. Trepughan has a country home near Berry, which he will occupy on the road until September. He left for Atlantic yesterday noon and will stay in the city until his honeymoon is over, when he will return here and take his bride to her home here in San Jose, Cal., probably taking Mrs. Garner there also. Mrs. Trepughan will be in the city until a few days' visit.

CITY COUNCIL PROCEEDINGS. Regular Monthly Meeting Finds Lots of Business Needing Attention.

The city council held its regular monthly meeting last evening. In the absence of the mayor President Keller occupied the throne and Aldermen Beck, Gleason, Grall, Nicholson, Stearns and White filled the seats. A contract entered into by the Citizens State bank and the finance committee of the council was ratified. By its terms the bank agreed to carry \$10,000 worth of city bonds until January 1, 1905, at a rate of 6 per cent interest, which would be paid for all bonds over that sum.

The petition of E. T. Teit for remission of the city tax on his property was granted. A. T. Flickinger asked that a lot on the south side of Fourth avenue, near Eighth street, belonging to Mr. Dowling of Omaha be sold to the city, and that the owner be compelled to put in a five foot stone walk to conform to the other sidewalks in the vicinity. City Attorney Hazelton stated that he had looked up the law and had failed to find any authority for the city to fill the lot unless there was stagnant water there. There had not been any water on the lot during the recent spell of weather, so he did not see that anything could be done. The matter was referred.

The auditor called the attention of the council, through his attorney, Alderman Righton, to the fact that he was losing money on the dog and horse business, since he had to give up the animals belonging to poor people without any compensation for his work. The petition was referred to the committee of the whole.

The ladies of the Woman's Christian association and St. Bernard's hospital put in a petition in which they stated that they had been taking care of what are known as "refugee" babies, and that they had asked and that they were paid \$75 per month and \$5 per week extra for each patient of this class brought to them for care. L. R. Wright, city clerk, who had made a speech in which it was suggested that a sum be taken out of the police fund sufficient to reimburse the two institutions for their expense in looking after the charity cases. The petition was referred to the city attorney.

City Electrician Bradley's request for new fire alarm apparatus was referred to the committee on fire and lights.

The petition of property owners on Avenues E and F, and Oakland avenue for sewers was referred to the committee of the whole. A petition of property owners on Babbitt place for the establishment of grade of certain streets was referred to the committee on streets and alleys.

Henry McArdle presented a petition asking that he be reinstated in his position in the fire department, which he lost July 1, 1903, when he was discharged. The council instructed the fire committee to investigate.

The receivers of the Union Pacific asked that certain lands in the city limits used for agricultural purposes be exempted from city taxation. Referred to the judiciary committee.

The meeting was then adjourned until Wednesday evening.

THE THREE QUALITIES. Biggest Sale, Biggest Bargains, Biggest Crowds.

Will certainly be found at the Boston store during this week. We have the largest midsummer sale ever attempted in the history of Council Bluffs, and so far the public have shown their appreciation by their liberal patronage.

This week has many more attractions in the various departments, and new specialties from time to time. Don't miss the bargains and complete prices with anything offered. Our prices always the lowest.

FOTHERINGHAM, WHITEHEAD & CO., Leaders, Council Bluffs, Ia.

Candidates for Clerk. The office of county clerk, which is to be filled this fall, is one of the best in the city and has probably a larger salary attachment than any other office to be voted for at the coming election. Six candidates have so far come to the front, but only two of them are deserving of serious consideration as their hands are now visible. James Fenelon and Louie Zurmuehlen will contend before the democratic convention for the faithful honor of the county office. It is a county which is going to be republican this fall. T. S. Campbell, the present incumbent, has had two whiffs, and is not a candidate to any great extent.

On the republican side of the house four candidates are prominently mentioned, Freeman S. Reed, W. S. Sapp, B. S. Rehm of Oakland, and Attorney Kilpatrick of Neola. Any attraction for Manhattan Beach will be advertised over the signature of that company, and their official announcement will be the checking of a trip at the beach about 5 o'clock, and though cleared in a few minutes it was not deemed safe to turn on the flow until it was certain that there would be no danger of its escape from the open burners.

Gas cooking stoves for rent and for sale at Gas Co.'s office. Domestic soap outlets cheap soap. The following marriage licenses have been issued at the county clerk's office: John E. Hamilton, Council Bluffs, 49 years; and Mrs. W. S. Sapp, 35 years; Christian Galt, Omaha, 40 years; and Ida May Deater, Omaha, 30 years.

AFFAIRS AT SOUTH OMAHA

Petition of Citizens to Mayor and City Council Respecting Special Police.

WANT THEM TO BE RESIDENTS OF THE CITY. Frank O'Rourke Unsuccessful Attempts Suicide by Taking Laudanum—Mrs. Sweeney Loses to a Swindler—Other Magic City News.

A petition was submitted to the mayor and council last night asking them to not only appoint some but South Omaha men for special policemen pending the strike, but to discharge all who have already been appointed who do not live here. The paper was signed by about 100 citizens. It was referred to the committee on police.

Mr. Ryan of the finance committee reported that the report of Export Accountant Points had been examined and found to be correct. He recommended that all cancelled bonds and coupons now in the hands of the city clerk be destroyed. There were some discrepancies in the books of the city clerk and these matters were referred to the city attorney.

Mr. Conley got through a motion to compel the street car company to lower its tracks to a level with the street on Twenty-fourth street from Twenty-fifth to Albright. Chief Brennan was given power to close up the windows at the rear of the police station so it would be impossible in the future for any person to pass liquor through the alleyway to prisoners.

Ordinances introduced: To establish grade on Archer avenue; to compel all electric light and power companies to place their wires underground; providing for the special tax and assessment against certain railroads to pay for the repairs on the L street viaduct.

The council adjourned to meet two weeks from last night.

He Took Laudanum. Frank O'Rourke, well known in both Omaha and South Omaha, attempted to take his life last night by swallowing an ounce of laudanum. O'Rourke is a man who has spent a fortune. His other was one of the owners of Douglas county and a large estate. Frank conducted a saloon on Sherman avenue and one on Cuming street in Omaha, but he was a swindler and lost his money and capital in a short time. For the last few months he has been employed as a laborer at the Cudahy packing house and he was recently discharged.

Last evening, while in Denny Murphy's saloon on Twenty-fourth street, he was seen to drink from a small bottle. A friend called to attract his attention and he was laughing and in enough to be taken to the police station, where he was ordered to get into a room. He was not sufficient to kill and the man's life was saved after considerable effort. He was then taken in charge by his brother, John J. O'Rourke.

Swindled Out of Five Dollars. Mrs. Grant Sweeney is quite a business woman, but she was swindled last night by a crook and beat out of \$5 in less time than it would take to tell it. The fellow walked into the store and asked Mrs. Sweeney to give him a five-dollar bill for silver. The woman said she could accommodate him, and produced a brand new bill, which she immediately placed in a letter, saying that he was going to send it to his wife, who was away on a visit. He then began to count out his change, but she stopped him and said she was short. In the meantime he had switched envelopes, and picking up his change, told Mrs. Sweeney to hold the envelope until he had gone out. He is supposed to be the party who swindled Mrs. Sweeney of South Omaha out of \$5 earlier in the evening.

CLAN GORDON EXCURSION. August 11, 1894. WASHINGTON, Aug. 6.—(Special Telegram to The Bee).—There was considerable of a sensation at the capital today over the publication in eastern papers of a story concerning Congressman McKeligan, Mrs. Ella Morris of this city, and Frank H. Hall of Beatrice. It appears that Mrs. Morris lived on very friendly terms with the McKeligan family for several years. She subsequently received visits from Hall, the latter was known to be at the same time circulating stories which were complimentary to McKeligan, and to the detriment of Mrs. Morris. The congressman arranged a private detective, who had Hall arrested for the alleged theft of a comb, a brush and a towel from the senator's room. Hall was formerly an employe of the senate. He has been released and will not be prosecuted. The entire affair is discredit to all the parties concerned, and to the name of the respectable Nebraskaan bluish with shame.

CLAN GORDON EXCURSION. August 11, 1894. For Short Change Work. John G. McKay is the name given by a prisoner who was brought into the city jail about 10 o'clock last night. He was arrested at Eighteenth and Vinton streets for working short change on a bakery near the corner. McKay tried the old time envelope act, but he was caught by a watchman. When brought to the station McKay said he had only been in town a few hours, but admitted to Sergeant Sigwart that short change work was his business. He is from the party who swindled Mrs. Sweeney of South Omaha out of \$5 earlier in the evening.

The populist congressional committee met last Saturday and made the following call for a delegate county convention, to be held on Saturday, August 18, at 2 o'clock p. m., at the Knights of Labor hall, 110-112 South Fourteenth for the purpose of electing thirty-five delegates to represent Douglas county in the state convention, to be held at Grand Island on August 24. Also to elect five delegates to represent Douglas county in the congressional district convention to be held in Omaha on August 28, and to transact the business. The basis of representation in the above county convention will be nine delegates for each ward in the city of Omaha, five delegates for each precinct in South Omaha, and five delegates for each county precinct. The delegates will be held on August 16, between the hours of 7 and 9 p. m.

The county precincts and South Omaha will select their own time and place of holding these primaries. Republican Meeting. The Swedish-American Republican club will meet at the Factors and Farmers street, Wednesday evening at 8 o'clock. This club will then tender a reception to Dr. John A. HUNTER FINALLY WINS. Des Moines Postoffice Fight Ends Disastrously to the Democratic Party.

DES MOINES, Aug. 6.—(Special Telegram to The Bee).—The postoffice contest in this city was finally ended today by the arrival of the commission for the new postmaster, E. H. Hunter. He will not take charge of the office until August 15 in order to allow for the monthly report. He has made no appointments of subordinates and no names have been mentioned for assistant postmaster or other positions.

The Republicans are making much capital out of Colonel Ethcock's exposure of the methods by which he was defeated, thousands of copies being circulated among the Germans who have voted for the democratic ticket, especially in the Second district, and the defeat of Judge Hayes for congress is fully expected for the part he took in the matter.

Too Quick with His Gun. ANITA, Ia., Aug. 6.—(Special to The Bee).—Yesterday afternoon three tramps, two negroes and one white man, were seen skulking around town. They were ordered by the mayor to leave town or go to jail. In reply they said they had no money and they got ready. The mayor, accompanied by the marshal, went after them.
